
PS3 CFW 3.72 Jailbreak Tool V1.0.rar

November 29, 2556 Buddhist time - Xbox 360 PS3 PC Jailbreak Ps3 4.50 Installation Package Files Mediafire 330 release expected. We currently have ps3 cfw 4.50 (for 4gb) and xbox 360 with cfw 4.50 (for 360) PS3 with 4.50 (Ps3Hx Cfw 4.50) and Xbox 360 with 4.50 (x360ce). From today Ps3-Xbox 4.50 (HxCfw 4.50) will be available on Ps3 XBox Live (for the first time)!

Due to the fact that this pack will mainly consist of PS3 and Xbox 360 files, PS3 and Xbox 360 may conflict with each other. Some may not be compatible. For example, if you are using PS3 with 4.50 (HxCfw 4.50), then PS3 with 4.50 (Ps3Hx 4.50) and Xbox 360 with 4.50 (Xbox) cfw will conflict.
